Join the General Federation of Women's Clubs (GFWC)

Since 1890, the General Federation of Women's Clubs (GFWC) has brought volunteers together by creating inclusive communities in every state and around the world. Today, 63,000+ GFWC members span the globe making a difference in their communities. GFWC members vary in age, talent, location, background, and profession, but are united in their dedication to actively improve the lives of others.

Becoming a GFWC member means joining a local Iowa club and engaging in volunteer activities that benefit your local community.

If you are not a member of an Iowa Federated Club, but would like more information about clubs in your area, please reach out to us at gfwciowa@qwestoffice.net

GFWC's volunteer efforts raise public awareness and help those in need. Each club independently selects the causes most important to their communities. Our volunteer efforts primarily fall within the following areas:

Community Service Programs

	GFWC Signature Program: Domestic and Sexual Violence Awareness and Prevention The goal of the GFWC Signature Program is to increase awareness of and help prevent the widespread occurrence of domestic and sexual violence abuse in communities across the nation and worldwide.		
	Junior's Special Program: Advocates for Children Works to make a difference in the lives of children by being an advocate, a voice for children, and to teach and encourage parents, caregivers, and others in the community to advocate for children at the grassroots level.		Arts and Culture Promotes and supports art and cultural programs in communities and works to expand understanding on every level, from local and regional to national and international.
	Civic Engagement & Outreach Focused on citizenship; crime prevention, safety, and disaster preparedness; those in need, food insecure, and unhoused; and military personnel and veterans.		Education & Libraries Designed to support schools and other educational institutions and opportunities, and promote libraries, literacy, and life-long reading.
	Health & Wellness Promotes nutrition, disease prevention, and physical and emotional care for members and their community.		Environment Specifically focuses on the beautification, cleanup, preservation, and enrichment of the natural resources and landscapes in communities.
